Dec 31, 2013 · Synopsis. Wednesday, January 29, 1913. In all the long quarrel set between philosophy and poetry I know of nothing finer, as of nothing more pathetically hopeless, than Plato's return upon himself in his last dialogue 'The Laws.'. There are who find that dialogue (left unrevised) insufferably dull, as no doubt it is without form and garrulous. On The Art Of Writing Copy PDF download. So while our art cannot, as we wish it could, save us from wars, privation, envy, greed, old age, or death, it can revitalize us amidst it all. Secondly, writing is survival. Any art, any good work, of course, is that. Not to write, for many of us, is to die. We must take arms each and every day, perhaps knowing that The Art of Writing and Speaking the English Language GENERAL INTRODUCTION If there is a subject of really universal interest and utility, it is the art of writing and speaking one's own language effectively. It is the basis of culture, as we all know; but it is infinitely more than that: it is the basis of business. on some technical elements of style in literature -- the morality of the profession of letters -- books which have influenced me -- a note on realism -- my first book: 'treasure island' -- the genesis of 'the master of ballantrae' -- preface to 'the master of ballantrae' book excerpt m, with what passage it shall please you to select--the seven ages from the same play, or even such a stave of nobility as othello's farewell to war; and still you will be able to perceive, if you have an ear for that class of music, a certain superior degree of organisation in the prose; a compacter fitting of the parts; a balance in the swing and the return as of a throbbing pendulum. we must not, in things temporal, take from those who have little, the little that they have; the merits of prose are inferior, but they are not the same; it is a little kingdom, but an independent.

3. rhythm of the phrase.--some way back, i used a word which still awaits an application. each phrase, i said, was to be comely; but what is a comely phrase? in all ideal and material points, literature, being a representative art, must look for analogies to painting and the like; but in what is technical and executive, being a temporal art, it must seek for them in music. each phrase of each sentence, like an air or a recita
